MSMS MyriadSea Management System Update Notice

A new version of MSMS has been issued, version 6.5. This replaces all previous MSMS versions. The online version of MSMS has been updated, and can be accessed at <u>www.myriadships.com</u> – note that you may need to refresh your browser to ensure the current version displays. Always check the top right to ensure you are viewing version 6.5.

The following is a summary of the changes that have been made to the system:

Amendments

Section	Title	Details of Change			
A06	Working Safely	 Sub-Sections have been introduced to make finding relevant information easier. Section A06.10.06 Quarterly Company Health & Safety Call added. This requires a virtual call be made covering key HSE topics. Section A06.10.07 Monthly Safety Focus Area added. This requires the company t identify a monthly Safety Focus Area and identify key activities to promote this throughout the Company. 			
		• Section A06.10.08 Monthly Routine Safety Circular added. This requires the company to issue a routine circular on safety topics every month.			
D02	Training & Familiarisation	 Sub-Sections introduced to make finding relevant information easier. D02.03 Drills updated to include a new requirement for a Drill Observer, as well as a detailed drill evaluation. This includes a requirement for the completion of a SafetyCulture drill evaluation form after each drill. 			

All Officers are required to familiarize themselves with these new sections, and apply them as required.

We remind everyone that forms and instructions should only be printed when needed, to ensure that old forms are never in use.
